EVENT POLICIES AND PRICING (Spring/Summer, 2019)

Jill Underwood, Events Coordinator: events@deeprootwine.com

Thank you for your interest in hosting an event at Deep Roots Wine Market. We have a very comfortable space and cheery atmosphere that will certainly make for a memorable event. We have partnered with several restaurants in Roswell for catering options and will happily coordinate just the right fare for your group.

Please Note: No outside food allowed unless approved prior to your event.

Group/Party Reservations (Less than 25 guests)

For groups less than 25 guests, we can accommodate your party in a seating area without a rental fee and with the business open to the public. We do however, require an in-store purchase minimum of \$40 per person (this does not include catering).

Buyout Events (25 or more guests)

For groups of 25 people or greater, we require a buyout of the space for a maximum of a three hour block. We require an in-store purchase minimum (tax & gratuity additional) that varies based on the day of the week. This can include WineStation (wines by the glass), retail wines (bottle purchases), retail gourmet foods, and retail gifts/merchandise. Catering is a separate charge and not included in the minimum.

The required minimum spend + applicable tax and gratuity (less deposit) will be due two weeks prior to the event. If the actual number of guests or total spend exceeds the minimum charged, the additional amount will be applied to the card on file.
